Message from the Mayor

Greetings everyone,

Welcome to another edition of the Florissant Spotlight magazine covering our community events from April to August. As you look through our city calendar, we have a lot of events planned for this year. But as you know, information remains fluid, and changes daily, so please stay updated by visiting our website at www.florissantmo.com and all of our social media outlets or call 314-921-5700.

I hope everyone is well and doing the best you can under the circumstances we all have faced this past year, and continue to face. We have all had to make many adjustments to our everyday lives during these pandemic times. Always remember that we are in this together, and as a community, we have always come together when it was most important.

Economic Development continues to be strong in our city and we need to continue to support all of our small local businesses because they have been through some trying times. Patronizing our small local businesses, will help them continue to be successful, and we need them to be successful because they are the economic back bone of our community.

I sincerely appreciate the cooperation and the patience of all our residents. We continue to be proactive and take precautionary measures to help ensure the safety of our Florissant community and employees while providing the highest level of city services.

At the time of this message (3/15) the vaccine is being administered throughout our state and in our area and will continue as more vaccines become available. As we all know, we have all faced some very unsettling and frustrating times. We are all in this together, and we all have a role to play. Mask up, wash your hands, and follow all the social distancing guidelines so that we can keep businesses open and keep our community safe. The City of Florissant is here to support you throughout these difficult times and will be doing everything possible to ensure the health and safety of our community. It is important that we remember our community's values of being safe, inclusive, and welcoming.

If we all work together, the current mandates, that have been set forth by the County Executive, will hopefully soon be lifted with safety protocols in place, and we can all get back to enjoying our community events that we have scheduled for this year.

Numerous street projects are still on course to be completed this year. Recently, the Lafayette Street and Graham Road project are completed. The I-270 North Project is moving along. Always remember to drive safe as you drive through the work zones.

As your Mayor, I promise to continue to put our great city and the people of our wonderful community first. We are proud of our past and dedicated to continue to build strong relationships together to make our city vibrant and economically strong for years to come.

I hope you and your family continue to be safe and healthy.

***We Are Florissant Strong!

North County's First All Inclusive Playground Comes to Florissant

The first Inclusive Playground in North County is coming to the City of Florissant! The playground will be located in Manion Park here in Florissant. A St. Louis County Municipal Park Grant will be funding a portion of the playground. However, the city is looking for additional funds to be donated towards the project.

In October of 2008, a small group of Florissant residents led by Gary Behlmann came together to form Accessible Play, Inc., a non-profit corporation with an interest in building an inclusive playground in Florissant. In 2011, Florissant passed an ordinance to allow Accessible Play, Inc. the use of Manion Park as the site that would be known as Angie's Playground. In 2017, the city began applying for St. Louis County Municipal Park grant to begin the process of turning Manion Park into a park that could accommodate an Inclusive Playground. Thus in 2018, a new enlarged parking area and water retention work was completed. In 2019, a new larger accessible restroom and seating areas were added. The city is now entering the construction phase of the playground with an anticipated completion date of June 2021.

This Inclusive Playground will be for ALL children in Florissant and in North County a first of its kind in the area. It will be specially designed to remove physical and social barriers so ALL children, with or without disabilities and/or critical illnesses, can play side by side with their peers and families.

Unlimited Play, Inc. is a 501 (c)3 non-profit organization that helps to plan, design and build fully accessible playgrounds. Unlimited Play playgrounds allow all children- regardless of their abilities – to play together. You can help support this playground by making either a monetary donation or donating goods or services such as concrete, fencing, shrubs, etc.

Beautiful Home Awards

Sponsored by City of Florissant Citizen Participation Committee

The City of Florissant is conducting its Beautiful Home Award Program again this year. The program was established to recognize homeowners who take pride in the appearance of their home and community.

In order to be eligible for the contest a home must be an owner-occupied single-family dwelling. Residents may nominate either their own home or other homes in the city. The judging criterion includes, but is not limited to, landscaping, attractive exterior, overall curb appeal, and maintenance of the property.

One winner will be chosen from each of the city's nine wards. The winners will receive recognition from the City Council, including a certificate of appreciation and a Beautiful Home yard sign. Previous winners must wait three (3) years before consideration for another award.

Nominations must be submitted with a current photo and may be mailed, hand delivered to the Community Development Office in the Government Building at 1055 St. Francois or sent via email to mholloway@florissantmo.com. You may also submit nominations online at tinyurl.com/beautifulhome2021

Police Department

Neighborhood Watch Program

This program encourages citizens to take an active role in keeping their neighborhoods safe by reporting suspicious activity, practicing effective personal safety techniques to reduce the risk of becoming a victim of a crime, watching out for each other in their neighborhood and staying in touch with fellow neighbors to encourage keeping your neighborhoods safe and free

from crime. Chief Fagan has always said, "Our residents are our eyes and ears in the neighborhoods, I encourage every resident in the city to participate in this very important program."

Those who volunteer to become watch member will receive weekly updates, via emails from the police department on notable criminal activity that's occurring in the neighborhoods.

You can sign up for the Florissant Neighborhood Watch Program by picking up a form at the Florissant Police Station or by visiting our Department website and filling out the registration form online.

If you're interested in finding out more about the Florissant Neighborhood Watch Program or you're considering becoming a Block Captain contact Officer Steve Michael at (314) 830-6042 or visit our website at www.florissantmo.com/police.

Don't Get BURNED FIREWORKS ARE BANNED

The Police Department would like to remind our residents that the Discharge and Possession of Fireworks are illegal in St. Louis County as well as the City of Florissant. There are many dangers that come with fireworks not being properly discharged that include bodily injury as well as extensive property damage if they are not closely monitored by responsible adults. The Police Department will be strictly enforcing the fireworks ordinances which can carry up to \$1000 fine if a summons is issued to offenders.

Torch Run Shirts Available

The Florissant Police Department is once again selling 2021 Missouri Law Enforcement Torch Run T-Shirts to benefit the Missouri Special Olympics. The costs for the shirts are \$15 for sizes medium to 2XL.

Home Safety Tips For While You Are On Vacation

With vacation season quickly approaching, the Florissant Police Department wishes to pass along a few tips to keep your home secure while you are on your trip:

Don't talk about it. Be cautious about who you tell about your trip. It is okay to tell a neighbor that you trust, but be careful about letting your whole neighborhood know that your house will be empty for an extended period of time. Also, don't post comments of social networking sites that you are leaving for a trip, or post comments while you are on vacation. You never know who is seeing those comments, and you don't want to advertise the fact that no one is at your house.

Use timers. Hook up timers to lights, televisions, and radios, and adjust the timers to your normal routine. This will help hide the fact that no one is home.

Lock up. Before leaving, make sure all of your doors, windows, garages, and sheds are secured.

Remember your mail. It is a good idea to request the post office to hold your mail while you are on vacation. This can be done either thru their website, or you can fill out a form at your local post office. Another option is to ask a trusted neighbor to collect your mail and newspapers while you are away.

Remember your answering machine and email. Don't tip anyone off that you will not be home by creating a new outgoing message for your answering machine saying that you are on vacation. Also, be cautious on what you put in automatic reply email messages.

Lock away your valuables. Keep valuables and important documents in a fire safe box or a safe deposit box. Also, it is always a good idea to record the serial and model numbers for your valuables so you can accurately report them missing if needed.

Park a car in the driveway. Give your home an appearance that someone is living there by asking a trusted neighbor to park his or her car in your driveway while you are away.

Outdoor lighting. Consider motion sensing lights on the outside of your house. Criminals typically do not want to be seen, so if a light comes on as they are walking around your house, it may prevent you from becoming a victim.

Make notifications. If you have an alarm system, make sure that they know how to get ahold of you while you are away. This can also be said about the trusted neighbor who is picking up your newspapers and mail, and who is parking a car in your driveway.

Complete a Vacation Check Form. The Florissant Police Department offers a free program to its residents where we check your house daily while you are on vacation. You can complete this form on our website at www.florissantmo.com/police or you can fill out a form at the Florissant Police Department.

The Florissant Police Department wishes all of the residents of Florissant a safe and happy summer! For any questions, call Officer Steve Michael, the police department's Community and Media Relations Officer, at 314-830-6042 or smichael@florissantmo.com.

A Message From the Valley of Flowers Committee

At best 2020 was a very unusual, one-of-a-kind year. Residents decorated their homes in the theme of “The Valley of Flowers Celebrates The Saint Louis Zoo” to keep the spirit of the 2020 Festival alive. In spite of the best efforts and multiple attempts to reschedule, the Valley of Flowers Festival was cancelled for the first time in the history of the event due to the restrictions required to slow the spread of the Covid-19 virus. Regardless of the difficulties, the Queen and her court were installed in the fall of 2020.

This is a pivotal year for the Festival. The theme is “The Valley of Flowers Celebrates: Missouri’s Bicentennial ‘Past, Present, Future.’ ” Many of the restrictions in place in 2020 are still in place for 2021. The Festival Committee began work on 2021 activities in conjunction with the City of Florissant and the Saint Louis County Department of Health. It became apparent that the ongoing issues and restrictions of Covid-19 would cause the Festival activities to be drastically reshaped. After an initial meeting with the Saint Louis County Department of Health, we were informed that they will not authorize the Grand Parade for 2021.

In subsequent meetings with the County Department of Health, the Health Department has indicated that the restrictions of social distancing, of requirement for masks and of limits on the number of attendees will have to be enforced if a Festival is to be approved by them. As a result, the Festival Committee and the City of Florissant regret that the Valley of Flowers Festival for 2021 has to be cancelled for the safety of the community.

The Festival Committee is not deterred by this setback. The slogan on signs around town say: “Together We Are Florissant Strong” so the Festival Committee will move forward with plans to install a Festival Queen and her court. The committee encourages high-school-aged young ladies who are Florissant residents to apply to become members of the Queen and her Court for 2021. These young women will represent Florissant in many activities in the Saint Louis area. Interested girls should fill out an application available at www.florissantvalleyofflowers.com or from the Festival office. If any girl is held back due to the lack of a sponsor, they may contact the Festival office for help. Likewise, if you would like to become a sponsor of the festival, forms are available on the website from which you may pick a sponsorship level. The festival could not exist without the support of our sponsors and the community.

Over the next two months the Festival committee will work with the City of Florissant to determine whether there are opportunities for “virtual Festival events” so that the spirit of the Festival weekend can be kept alive in the face of the pandemic limitations.

Please watch our website (www.florissantvalleyofflowers.com) and our Facebook page for more updates as the committee finalizes the particular details for the Festival.

Resident and Nonresident Definitions

A Florissant resident is one living within the defined city limits of the City of Florissant and listed on the occupancy permit. City limits and Post Office boundaries are not the same, so it is possible to have a Florissant mailing address yet live outside the city. Check with the Recreation Staff to see if your address qualifies for resident status. See information below on obtaining a resident card. Family passes consist of four individuals living in the same household and listed on the occupancy permit if applicable. Additional members may be added if they are eligible for \$20 per person for residents and \$30 per person for nonresidents. Anyone wishing to use the facility must have a resident or nonresident identification card which will be kept at the reception desk during their use.

Resident Card Information

A current Florissant resident card allows Florissant residents to do the following:

- Receive free admission to the gymnasium and game room at the JJE Center and JFK Community Center.
- Obtain a pavilion rental permit for one of our many parks.
- Register early for programs and classes (before nonresidents).
- Pay resident rates for admission to facilities, programs, and classes.

To Obtain or Renew a Florissant Resident Card

Everyone in the household, including all children receiving a card, must be listed on the occupancy permit. This will be looked up in our system by recreation staff. Paper copies of the occupancy permit will be accepted for 60 days from the date of original issue only. In addition, residents who rent their home must bring a photo ID and proof of residency. Residents who own their home and are listed on the occupancy as the owner and occupant only need to bring a photo ID. See below for proof of residency requirements:

17 YRS and Under

Must be accompanied by a parent or legal guardian as proof of residency.

21+ YRS

Utility bill showing service address that matches resident address. Electronic copies will be accepted. Must be dated within 30 days of current date.

Paycheck stub (mailed or electronic stub), mailed bank statement, monthly business statement (cell phone, credit card, etc). Must be dated within 30 days of current date.

18-20 YRS

May either be accompanied by a resident parent/legal guardian OR present a proof of residency item listed to the left in their own name.

Resident Card Fees

Youth (4-17YRS)	\$3
Adult (18-59YRS)	\$4
Senior (60+YRS)	\$3

Resident/nonresident cards are valid for two years from the date of purchase. If your card is lost during this time and you need a replacement, a \$5 fee for all ages will apply for each replacement card. Nonresidents wishing to purchase a daily facility pass must have a nonresident identification card which will be held at the reception or fitness desk and returned upon their departure from the facility. Nonresident card fees are the same as resident card fees. A photo ID or parent/guardian must be present (for minors under 18) in order to make a nonresident card.

All resident/nonresident cards are the property of the City of Florissant and must be shown or surrendered to city employees upon request. For safety and security of our staff and guests, cards will be kept at the desk during usage of the facility and returned upon their exit.

Florissant Business Owners

The owner of any business located within the city limits, along with immediate family members living in their household, shall be deemed a resident and therefore eligible to receive a resident card. This applies to the individual listed on the business license only. To obtain a resident card as a business owner in the city, you must visit the JJE Center or JFK Community Center with a photo ID. You will only be issued a card upon verification of your business ownership and current business license through the Finance Department. This verification can only be done M - F 8:00A - 5:00P. It may take up to two business days to verify.

Resident/nonresident cards can be made up to 30 minutes prior to facility closure at either JJE or JFK Community Centers. See page 9 for facility hours.

Living Memorial Tree Program

Honor your loved one with a living memorial through our Memorial Tree Program. To participate in the Living Memorial Program, the donor selects a tree from a predetermined list of trees and pays the city the cost of that tree (currently \$250). At the donor's request, the tree will be planted in one of the city's beautiful parks. As acknowledgment of the donation, an engraved brass plate will be installed in the Living Memorial Display located at the lower level of the James J. Eagan Center. The donor will receive a certificate suitable for framing. Contact Sarah Skaggs at sskaggs@florissantmo.com or call 314-839-7670 for more information or to request your memorial tree.

Please note that the hours of the facilities may be modified at the time of this publication due to COVID-19. Check with the facility you would like to use before visiting to verify the current operating hours.

Water Aerobics

Are you looking for a low impact shallow water workout? Our certified instructor uses their own creative style of teaching different movements. Programming can be modified to meet specific needs and goals. That means it's a great activity for people of different ages and athletic abilities. Not a strong swimmer? Don't worry, you'll be able to stand the whole time—the water is typically no more than chest high. So, grab your bathing cap, dip in a toe, and get ready to make a splash with this fun workout!

Water Works!

Take the plunge and try this low-impact workout that builds muscle strength and boosts your endurance. Each class includes a warm-up, cardio and strength-training exercises, and a cool-down. Expect exercises like water walking, bicep curls, leg lifts, and noodle moves. You won't be swimming, and these water workouts are done in the shallow end of the pool. The buoyancy of the water is easy on your joints. That makes water aerobics a good choice if you have joint problems, chronic pain, or are recovering from injury. Don't miss out!

Swimming ability is recommended as this class is held in the deep end of the pool.

Aqua Zumba

Aqua Zumba gives new meaning to the idea of an invigorating workout. This class takes place in our indoor pool. Splashing, stretching, twisting, and even shouting, laughing, hooting, and hollering are often heard during an Aqua Zumba shallow water class. Integrating the Zumba formula and philosophy with traditional aqua fitness disciplines, Aqua Zumba blends it all together into a safe, challenging, water-based workout that's cardio-conditioning, body-toning, and most of all, exhilarating beyond belief.

Body Toning (Ages 12YRS+)

This is an extensive workout routine targeting those problem body areas: stomach, hips, waist, and thighs. You will do different workout routines with a mat that will be designed to tone and sculpt your way to the body of your dreams. Please bring your own mat. Toned muscles are important in supporting and protecting joints from incorrect movements and joints supported by strong, toned muscles can result in fewer injuries than a joint that is supported with weak muscles.

Yoga is a complete mind and body connection. It is an ancient art rooted in a harmonizing system of development for the body, mind, and spirit. The practice of yoga has many physical and mental benefits. For example, yoga can increase your flexibility, increase muscle strength and tone, improve energy, and maintain a balanced metabolism. Yoga can also help manage stress which can cause back or neck pain, sleeping problems, headaches and more but with the incorporation of meditation and breathing those issues can begin to decrease. Do not worry if you are a beginner as yoga is for everyone! Come and take that first step onto the mat or "yoganna" regret it! Please bring your own mat.
