PROPOSITION A & R

Will Help Florissant

Clean Up Problem Rental Properties And Maintain Property Values

PROPOSITION R

Would increase the fee for a RENTAL license fee to \$50 per unit to cover the cost of seeing that rental property is properly maintained. One of the biggest challenges the city faces in tracking down the owners of rental properties to be able to notify them of any issues that need addressed. This fee will help defer that cost.

PROPOSITION A

This would allow the city to charge a \$200 registration fee to any owner of property that has been VACANT for more than six months. This will help the city pay for the cost for

obtaining ownership information on abandoned or vacant property and to address problems created by vacant property.
