About Us

Lochmueller Group is a Midwest regional consulting firm with an emphasis on planning and designing state and local infrastructure improvements. Some may view these as highways, bridges, trails, drinking water, storm water, or wastewater facilities, but at Lochmueller, we see these as our clients' dreams for their communities. Through the projects we are privileged to work on, we partner with our clients to reinvent their future.

FLORISSANT IS A SAFE BEAUTIFUL, PATRIOTIC & HISTORIC CITY

A Message from the Mayor

It is our pleasure to bring you this 2021 Community Calendar. We want to thank Gateway Disposal STL and Lochmueller Group for their sponsorship of this calendar. We always encourage you to help the environment and invite you to review the recycling discussion contained in this calendar.

Florissant has strived to go green by saving on energy consumption by consulting with energy experts for long range energy conservation initiatives.

We have always known that our town was a great place to live, work, and raise a family. Florissant is blessed with a great generous patriotic, diverse and faith-based community who care about and will help one another in so many touching ways.

Our business Community has always been closely woven into our civic fabric and their sponsorship of our festivals and events is admirable and much appreciated. All Florissant Stakeholders like to spend time with each other which is why we have so many splendidly attended events.

The COVID-19 global pandemic struck the United States in March 2020, and prompted national, state, and local responses including mandatory closure of non-essential businesses, stay-at-home orders, social distancing protocols, and other required and/or recommended restrictions and activities. In response to these mandates, the City of Florissant closed many city facilities, including City Hall, and still continued to keep the essential functions of the government operational during the pandemic times. I made sure that we still delivered the best services to our residents in a safe and efficient manner. The health and safety of the residents of the city and city employees was paramount throughout the pandemic.

Florissant has always had a strong sense of community which has resulted in the fantastic schedule of events that bring our citizens together throughout the year. The Valley of Flowers, Food Truck Knights, Fiesta in Florissant, Fall Festival, Old Town Partners Wednesday Nights Out, Music Under the Stars free Summer Concert Series, and Christmas in Old Town are among the many events that offer fun activities for all ages right here at home. Our patriotic community also hosts events for Memorial Day, Flag Day, 4th of July, 9-11 and Veterans Day.

Our Senior Citizens are among the most active people in our town and we are proud to offer a variety of activities and interests for their enjoyment, from dancing and bingo at the Eagan Center to traveling to a fun destination on the FLERT bus.

We have a wide variety of Youth activities including sports leagues and recreation events to promote D.A.R.E. like Project Lift Off, Splish Splash, St. Ferdinand Fishing Tournament, Light The Darkness Glo Run and more.

Please enjoy the 2021 City Calendar and I am looking forward to seeing everyone at all of events for this year. We Are Florissant Strong!
