# Message from the Mayor

Greetings Friends-

Welcome to the first edition of the Mayor's Message in the Florissant Spotlight for 2022. I hope everyone had a safe and joyous holiday season and everyone is enjoying the 2022 City Planning Calendar

The city continued to address the challenges like many other cities faced in 2021 and was able to find solutions to those challenges. As your Mayor, I am committed to make sure the city heads in the right direction. From businesses to households to governments, COVID-19 has adversely impacted our health, quality of life and budgets across America. Keeping our community and employees healthy and safe will always remain an utmost priority of mine.

I would like to share some news and what we can look forward to in the next couple of months:

**The 59<sup>th</sup> Annual Valley of Flowers Festival and Parade** will be held on May 6, 7 and 8. This edition of the Florissant Spotlight contains information on the 2022 Valley of Flowers or you can visit their website at [www.florissantvalleyofflowers.com](http://www.florissantvalleyofflowers.com).

Please join the Administration in an initiative to kick off a **pre-Valley of Flowers Spring Cleaning Campaign to recapture the spirit of the original Valley of Flowers**. The original idea was to clean up, spruce up, fix up the city culminating in what has become the Valley of Flowers Festival which will run sometime in the middle of March to the start of the Valley of Flowers Festival.

**The Electronic Recycling Event**, sponsored by **Midwest Recycling Center**, is scheduled for Saturday, April 2nd from 9am-1pm (or until trucks reach their capacity). **The Document Shredding Event**, sponsored by **Shred-It and Gateway Disposal STL**, is scheduled for Saturday, April 23<sup>rd</sup> from 9am-1pm (or until trucks reach their capacity). Both of these popular events will be held at St. Ferdinand Park and more information will follow as the events get closer.

The City along with Florissant Old Town Partners will host a plaque dedication before the start of the first Wednesday Night Out Event on Wednesday, May 25<sup>th</sup> in honor of Richard "Dick" Kellett. Further details will be sent out as we get closer to the event.

Look for a **great schedule of Parks and Recreation** activities in this Florissant Spotlight and in our Spring 2022 **Parks & Recreation Guide** magazine available now at City Hall and at both recreation centers.

We are very pleased with the continuous improvements at the **Florissant Golf Club** made by **Course Superintendent Andy Sprunt** and **Golf Course Manager Sam Freihoff**. With our large deck and banquet room we can handle any size golf outing. For a TEE TIME or to book your next special golf event contact the **Florissant Golf Club at 314.741.7444** or visit [www.florissantgolfclub.com](http://www.florissantgolfclub.com).

**Theater-** Our very own 600 seat **Gary Gaydos Florissant Civic Center Theater** has season tickets available for purchase to see the outstanding shows coming to Florissant. Please see the Theater section of this magazine to see the schedule of productions and shows this season. Get season tickets by visiting the FCC Theater box office or call 314.921.5678.

The City continues to work on completing the **Comprehensive Plan**. What is a comprehensive plan?

- 1) An official document adopted by a city as a policy guide to decisions about the physical development of the community. The plan acts as a guide to be used when regulatory ordinances are developed and administered.
- 2) While a comp plan doesn't provide detailed capital improvement or precise locations of facilities, it does provide a guide in the detailed planning that must occur before those facilities are built.

Thank you to H3 Studio for all that they have compiled as they continue to work with the Administration.

**Missouri American Water Company** is currently working on a main replacement project on Lindbergh that started this past January and should be completed by the Fall of 2022. The purpose of this project is to provide upgrades and improvements to aging water pipes along Lindbergh from Elm Grove to Charbonier. This project will improve the water flow which in return will be cost savings to the customer. The cost of this project is approximately \$4.3 million. The construction times will be from 6pm-6am with one lane open in both directions on Lindbergh during construction. Missouri American Water Company is committed in continuing to invest dollars in Florissant and in North St. Louis County. Please be mindful of the construction work zones and the workers as you travel on Lindbergh.

**The Public Works Department** is preparing to do \$2,00,000 in street work in 2022 which includes \$500,000 in asphalt preservation work, \$500,000 in concrete pavement replacement and repairs and \$1,000,000 in major street repairs. The City is also in the process of designing street replacement projects for St. Dennis and Mullanphy Road. These projects are in conjunction with the federal government which will reimburse 80 percent of the cost of the project.

**On April 5th Election**, the city will have Proposition C (County Wide Use Tax), Proposition U (Local Use Tax) and a Bond Issue for a new Aquatic Center on the ballot where you will have the opportunity to exercise your civic duty and vote. I encourage all eligible voters to vote.

We continue to have Economic Development success. Companies of all sizes, including National brands and Developers, are proving that they believe in the future of Florissant.

There are many exciting projects that are in the Due Diligence and Planning Phase and we are working with the Developers to bring them to fruition anticipating more public announcements this year.

I look forward to seeing you at the Valley of Flowers Festival and other wonderful outdoor events in our city has planned this year

## City of Florissant Announces Hometown Heroes Banner Program

Mayor Tim Lowery is pleased to announce that the Florissant Veterans Commission has started the Hometown Heroes Banner Program. The banner program is designed to recognize and honor all Veterans and Active Duty servicemembers of the United States Armed Forces, especially those with ties to the Florissant community. The program is designed to recognize one Veteran per banner with their photo and will detail the Veteran's name, rank, branch of service and era served.

The banners will be posted in Old Town along rue Saint Francois during our country's Patriotic Holidays. This continues the proud Florissant patriotic tradition of honoring those who serve our country at home and abroad.

The Hometown Heroes Banner order form can be found at [www.florissantmo.com](http://www.florissantmo.com), at City Hall and at VFW Post 4105 located at 410 rue St. Francois. For more information, contact Kathy Blasingame, the Executive Assistant to the Public Works Director at 314.839.7641.

# Police Department

## *The Dangers of Leaving your Vehicle Running and Unattended*

The Florissant Police Department is warning residents to be wary of thieves who are targeting unattended vehicles warming up during frigid temperatures.

There have been a number of vehicles stolen in Florissant during the cold mornings this winter.

The Florissant Police Department sees an increase in stolen vehicles that were left unattended at convenience stores or warming up in driveways each year when the temperatures get cold.

"We need residents to stop leaving their car running, unattended." These thefts are 100 percent preventable," said Chief Tim Fagan.

We also would like to remind residents that leaving your vehicle running unattended on the street is a violation the Florissant Municipal Code.

## *Please do not leave Guns in Vehicles*

The Florissant Police Department is continuing to see a disturbing trend where guns have been being stolen from unlocked vehicles. This negligence by the gun owner could be prevented if they would properly secure their firearms and vehicles. These guns that are stolen fall into the hands of criminals all because they were left in unlocked vehicles.

"Again, we plead with residents to be a responsible gun owner and properly secure your guns", said Chief Tim Fagan.

The majority of the stolen guns have come from unlocked cars. Other victims have told police they did lock their cars, but when police investigate they find no sign of a forced entry, leading them to believe that the vehicle was left unlocked.

The Florissant Police Department urges all residents to lock their vehicles at all times, and to never leave a firearm unsecured in a vehicle.

## *Resident Camera Program*

Do you currently utilize private video surveillance at your home or business? If you do, we'd like to hear from you.

Video surveillance is one of the best methods for apprehending criminals and convicting suspects who are caught in the act of committing a crime. Installing video surveillance is a great example of community-police partnerships and is something the Florissant Police Department values highly.

### **How Does it Work?**

The Resident Camera Program allows residents and business owners to register locations and capabilities of their security camera systems with the Florissant Police Department. Using this information, when a crime occurs, the Florissant Police Department will know the locations of nearby video cameras and be able to collect video evidence and follow up on leads.

### **What are the Benefits of Registering your Camera?**

Because they are caught in the act of committing the crime, video surveillance is one of the best methods to catch suspects and convict them. As crimes occur nearby, many residents and business owners are unaware that their camera systems may have captured information that could help solve a crime. Likewise, police are not always aware of who may have potentially vital video evidence.

By registering your camera with the Florissant Police Department, officers can quickly identify nearby cameras that may have captured criminal activity. After registering your camera, you will only be contacted by the Florissant Police Department if there is a criminal incident in the vicinity of your security camera and police personnel believe viewing your video footage will assist in the investigation.

### **Registration**

If you would like to register your security camera system with the Florissant Police Department and allow officers to contact you should a crime occur in or near where your cameras are installed, please fill out the online form below.

### **Terms and Conditions**

The information you provide regarding your camera systems will be for official use only. Your personal information will remain confidential and not be distributed except as required by law or court order. This program is entirely voluntary and you can withdraw consent to view video footage from your camera system at any time by calling the Florissant Bureau of Investigation. If necessary, the Florissant Police Department will contact you directly, using the information provided by you at the time of registration, to request the appropriate video surveillance footage. Any footage containing or related to criminal activity collected by the Florissant Police Department may be used as evidence during any stage of a criminal proceeding. Under no circumstances shall the registrants construe that they are acting as an agent and/or employee of the City of Florissant and/or the Florissant Police Department through the program.

Check with the Recreation Staff to see if your address qualifies for resident status. See information below on obtaining a resident card. Family passes consist of four individuals living in the same household and listed on the occupancy permit if applicable. Additional members may be added if they are eligible for \$20 per person for residents and \$30 per person for nonresidents. Anyone wishing to use the facility must have a resident or nonresident identification card which will be kept at the reception desk during their use.

## Resident Card Information

A current Florissant resident card allows Florissant residents to do the following:

- Obtain a pavilion rental permit for one of our many parks.
- Register early for programs and classes (before nonresidents).
- Pay resident rates for admission to facilities, programs, and classes.

## To Obtain or Renew a Florissant Resident Card

Nonresident card fees are the same as resident card fees. A photo ID or parent/guardian must be present (for minors under 18) in order to make a nonresident card.

## Florissant Business Owners

The owner of any business located within the city limits, along with immediate family members living in their household, shall be deemed a resident and therefore eligible to receive a resident card. This applies to the individual listed on the business license only. To obtain a resident card as a business owner in the city, you must visit the JJE Center or JFK Community Center with a photo ID. You will only be issued a card upon verification of your business ownership and current business license through the Finance Department. This verification can only be done Mon-Fri 8am-4:30pm. It may take up to two business days to verify.

Resident/nonresident cards can be made up to 30 minutes prior to facility closure at either JJE or JFK Community Centers.

## Living Memorial Tree Program

Honor your loved one with a living memorial through our Memorial Tree Program. To participate in the Living Memorial Program, the donor selects a tree from a predetermined list of trees and pays the City the cost of that tree. At the donor's request, the tree will be planted in one of the city's beautiful parks. As acknowledgment of the donation, an engraved brass plate will be installed in the Living Memorial Display located at the lower level of the James J. Eagan Center. The donor will receive a certificate suitable for framing. Contact Sarah Skaggs at [sskaggs@florissantmo.com](mailto:sskaggs@florissantmo.com) or 314.921.4250 for more information or to request your memorial tree. Cost is \$275 per tree.

## PICNIC

*By William Inge*

The play takes place on Labor Day weekend in the joint backyards of two widows. One house belongs to Flo Owens, who lives there with her two daughters, Madge and Millie, and a schoolteacher boarder. The other house belongs to Helen Potts, who lives with her elderly and invalid mother. Into this female atmosphere comes a young man named

Hal Carter, whose animal vitality seriously upsets the entire group.
