April 26, 2024

Kid's Day America

Florissant has partnered with Get Well Family Health and Chiropractic to host Kid's Day America at the James J. Eagan Center Ice Rink on May 18th from 11 am-2 pm. Tens of Thousands of Children will be starting Chiropractic Care at the 30th Annual Kids Day America & Kids Day International Events all over the world. Florissant is proud to say we are one of those communities focusing on health.

Get Well Family Health and Chiropractic and the City are excited to bring Kids Day America to North County for the first time since the event's creation 30 years ago. Kids Day America is a health, safety, and environmental awareness day aimed at educating kids ages 0-10 as well as their parents and families. We will have the police and fire department in attendance as well as informative vendors, food trucks, prizes, music and more!

The health and well-being of children is our responsibility and, if started in childhood, proper Health, Safety, and Environmental habits can be maintained for a lifetime, producing a valued member of society, and enhancing our community.

We are looking for individuals, businesses, organizations and more to join us as sponsors, vendors, and of course also as attendees!

For more information on how you can participate, you can reach out to the Get Well team via phone/text at 314-524-2580 or email at getwell@getwellfc.com.
