

# **FLORISSANT DOWNPAYMENT ASSISTANCE PROGRAM**

The City of Florissant has entered into an agreement with the St. Louis HOME Consortium to provide homebuyer assistance to low- and moderate-income homebuyers (80% of AMI or below) purchasing a home in the City of Florissant.

HOME funds will be utilized to provide **no-interest loans up to \$8,000 of down payment and/or closing cost** and pay fees to the housing counseling organizations to originate and service these loans. Potential homebuyers may access these funds only through an approved housing counseling agency.

The following is a list of participating lender/counseling agencies. Please contact one of these agencies to assist you through this program.
