Message from the Mayor

Greetings Florissant residents,

Welcome to the Fall 2022 edition of the Florissant Spotlight magazine. What a wonderful lineup of upcoming events we have to share!

The 60th annual Valley of Flowers festival was a huge success and by far the best in a long time. The John Carney Show from Big 550 KTRS broadcasted from the James J. Eagan Center and Henke's Bar and Tavern hosted the 1st annual 0.01K Fun Run to help promote the Valley of Flowers festivities. Thanks to everyone who helped in making this year's festival a tremendous success.

This past May we celebrated Wednesday Night Out & plaque dedications in honor of "Dick" Kellett, Albert & Mark Behlmann and "Bud" & Bernice Foley. This fall's dedications will honor the late "Tucker" Kohnen, "Bert" Heppermann and Cyril Niehoff. These individuals made a positive impact on our community and will be sorely missed. A big thanks to Florissant Old Town Partners for helping make these events happen.

In May the Fox 2 "In Your Neighborhood" show broadcasted live from Hendel's Café spotlighting upcoming events in our community. We discussed Fiesta in Florissant, plaque dedications, the success of the Valley of Flowers Festival and...

As your Mayor, I promise to continue to put our city and the people of our wonderful community first. Police Department

Resident Camera Program

Do you currently utilize private video surveillance at your home or business? If you do, we'd like to hear from you.

Video surveillance is one of the best methods for apprehending criminals and convicting suspects who are caught in the act of committing a crime. Installing video surveillance is a great example of community-police partnerships and is something the Florissant Police Department values highly.

How Does it Work?

The Resident Camera Program allows residents and business owners to register locations and capabilities of their security camera systems with the Florissant Police Department. Using this information, when a crime occurs, the Florissant Police Department will know the locations of nearby video cameras and be able to collect video evidence and follow up on leads.

What are the Benefits of Registering your Camera?

Because they are caught in the act of committing the crime, video surveillance is one of the best methods to catch suspects and convict them. As crimes occur nearby, many residents and business owners are unaware that their camera systems may have captured information that could help solve a crime. Likewise, police are not always aware of who may have potentially vital video evidence.

By registering your camera with the Florissant Police Department, officers can quickly identify nearby cameras that may have captured criminal activity. After registering your camera, you will only be contacted by the Florissant Police Department if there is a criminal incident in the vicinity of your security camera and police personnel believe viewing your video footage will assist in the investigation.

Registration

If you would like to register your security camera system with the Florissant Police Department and allow officers to contact you should a crime occur in or near where your cameras are installed, please fill out the online form.

Terms and Conditions

The information you provide regarding your camera systems will be for official use only. Your personal information will remain confidential and not be distributed except as required by law or court order. This program is entirely voluntary and you can withdraw consent to view video footage from your camera system at any time by calling the Florissant Bureau of Investigation. If necessary, the Florissant Police Department will contact you directly, using the information provided by you at the time of registration, to request the appropriate video surveillance footage. Any footage containing or related to criminal activity collected by the Florissant Police Department may be used as evidence during any stage of a criminal proceeding. Under no circumstances shall the registrants construe that they are acting as an agent and/or employee of the City of Florissant and/or the Florissant Police Department through the program.

Have further questions? Contact the Florissant Bureau of Investigation at 314.831.7000

The Dangers of Leaving your Vehicle Running and Unattended

The Florissant Police Department is warning residents to be wary of thieves who are targeting unattended vehicles left running.

There have been a number of vehicles stolen in Florissant running or with the keys inside the vehicle.

"It's just not occurring during the winter months anymore; this is a crime of opportunity and absolutely preventable," said Chief Tim Fagan.

The Florissant Police would like to remind everyone that leaving your vehicle running unattended on the street is a violation of the Florissant Municipal Code.

38th Annual National Night Out October 4, 2022

National Night Out is designed to:

- Heighten crime and drug prevention awareness;
- Generate support for, and participation in, local anticrime programs;
- Strengthen neighborhood spirit and police-community partnerships; and
- Send a message to criminals letting them know that neighborhoods are organized and fighting back.

Florissant residents are being encouraged to lock their doors, turn on outside lights, and spend the evening outside with their neighbors between the hours of 6:00 p.m. and 8:00 p.m. Activities such as block parties and cookouts are encouraged.

Residents are required to apply for a no cost "Block Party" permit. Permits may be obtained in person from the Mayor's Office at the Florissant City Hall, or by downloading a permit from the City of Florissant website at, www.florissantmo.com

For additional information contact **Officer Steve Michael** at 314.830.6042, or visit the police department's website, www.florissantmo.com/police

Aqua Zumba

Aqua Zumba gives new meaning to the idea of an invigorating workout. This class takes place in our indoor pool. Splashing, stretching, twisting, and even shouting, laughing, hooting and hollering are often heard during an Aqua Zumba shallow water class. Integrating the Zumba formula and philosophy with traditional aqua fitness disciplines, Aqua Zumba blends it all together into a safe, challenging, water-based workout that's cardio-conditioning, body-toning, and most of all, exhilarating beyond belief.

Water Works

Take the plunge and try this low-impact workout that builds muscle strength and boosts your endurance. Each class includes a warm-up, cardio and strength training exercises, and a cooldown. Expect exercises like water walking, bicep curls, leg lifts, and noodle moves. You won't be swimming, and these water workouts are done in the shallow end of the pool. The buoyancy of the water is easy on your joints which makes this class a good choice if you have joint problems, chronic pain, or are recovering from an injury.

Deep Water Aerobics (No Instructor)

As you submerge yourself into the deep end of a pool for a water fitness workout your body becomes nearly weightless, giving you a new kind of workout challenge. While deep water aerobics has a low impact on your joints, it has a high impact on your cardiovascular system, improving your overall health and fitness, and aiding weight loss and maintenance. Swimming ability is recommended as this class is held in the deep end of the pool.

Water Aerobics

Are you looking for a low impact shallow water workout? Our certified instructor uses their own creative style of teaching different movements. Programming can be modified to meet specific needs and goals. That means it's a great activity for people of different ages and athletic abilities. Not a strong swimmer? Don't worry, you'll be able to stand the whole time—the water is typically no more than chest high. So, grab your bathing cap, dip in a toe, and get ready to make a splash with this fun workout!
