ANOTHER SUCCESSFUL SWIM YEAR FOR THE FLORISSANT FISH SWIM TEAM

The 2023 summer season marked the 21st season for the Florissant Fish Swim Team. Over the duration of the season the team was 6-0 in dual meets and finished 1st at the Conference Championships for the 13th straight season. This year's team consisted of 164 kids, ranging from 4-18 years old and featured a group of 9 coaches who have either been with the program for all 21 years or graduated as a swimmer of the team before joining the coaching staff. Our swimmers broke 2 relays and 3 individual team records and 13-14-year-old Mia Moore broke a 35-year-old conference record in the 50-yard butterfly.

Mayor Lowery congratulates the experienced coaching staff on another great year and would like to thank the parents and grandparents for their support of the swim team and volunteering at all the meets to make the Florissant Fish Swim Team fantastic.
